

Three Nooks Farm Update – 6th January 2014

No works are taking place at Nooks Farm at present as we are waiting for the Environment Agency Permit to be issued for the well clean up and testing.

As previously indicated, this is anticipated to be granted later this month and we are planning to carry out the works shortly after.

We will advise once we have the confirmed date and will provide more detail in due course.

For any queries relating to the Three Nooks Farm project, please email: **nooksfarm@alkane.co.uk**
