In connection with the Offer, a stabilising manager, or any of its agents, may (but will be under no obligation to), to the extent permitted by applicable law, over-allot shares or effect other

However, there will be no obligation on the stabilising manager or any of its agents to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. Such stabilising measures, if commenced, may be discontinued at any time without prior notice. In no event will measures be taken to stabilise the market price of the shares above the offer price. Save as required by law or regulation, neither the stabilising manager nor any of its agents intends to disclose the extent of any over-allotments made and/or stabilisation transactions conducted in relation to the Offer.
